

YOUTH
CONNECTION

THEATRE
COMPANY

Youth Connection Theatre Company meets every Thursday at 7.30p.m. at Ouston Community Centre, where members learn singing, dancing and acting, working towards a production. We have just celebrated our 30th anniversary, and, over the years, we have toured The United Kingdom as well as France, Germany, Hungary, Slovakia and Russia, performed several times at the Edinburgh Festival, and in several of London's professional theatres, including The Royal National.

We perform two productions a year and several concerts, in a variety of venues including small halls, churches, community theatres and professional theatres. The group is always looking for new members, and if you are over 15 years of age, want to discover a new interest, make like-minded friends, and perhaps pursue a career in the theatre, ring us on 07885583628 for more information, or turn up on a Thursday to see what we do. We welcome aspiring actors, singers, dancers, musicians and people interested in learning the technical side of theatre production including sound and light design. We would be delighted to see you.
